

KEY PERSON

Each child is assigned a key worker, who acts as the child's main carer and has a responsibility for a small group of children, to help them feel safe and secure. The key person will get to know your child, provide extra support where necessary, to ensure their full potential is reached.

DAILY LEARNING JOURNAL

We maintain a Daily Learning Journal of every child's activity and development to be able to provide regular updates to parents via email.

We also give parents the opportunity to discuss their child's development and success as and when necessary. Our friendly and approachable management team are available to answer any questions you may have at any time.

WELL STRUCTURED AND WELCOMING.

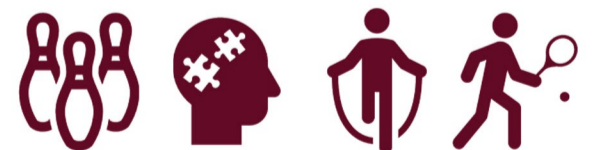

AT HIGHCREST, WE HELP CHILDREN TO GROW WITH PLAY, EXPERIENCE, AND EXPLORATION.

They are introduced to the use of computers and tablets to help fine-tune their fine-motor skills as well as to help boost their logical and problem-solving skills. These are not only used as a fundamental educational resource, but also to help prepare them for the high-tech world in which we live.

The Pre-Schoolers, our more adventurous pupils, also enjoy extra-curricular dance, and sports classes, which help develop their social skills, balance and co-ordination whilst ensuring they are keeping active for a healthy body and mind.
